EDUCATION

DIPLOMA IN MULTIMEDIA

COLLEGE MCS

2022 - 2025

PROFILE

A Diploma in Multimedia student at College MCS with a strong passion for website and digital development. Experienced in building responsive, user-friendly websites through academic projects. Interested in UI/UX design and front-end development.

EXPERIENCE

- Developed and launched multiple responsive websites using HTML, CSS, and JavaScript, including a product landing page (AMZ Deco) and an e-commerce mockup for a digital watch store.
- Designed modern UI/UX interfaces with a focus on user engagement and layout optimization for various devices
- Created marketing visuals and a cinematic poster using Adobe Photoshop, demonstrating creative direction and multimedia skills.
- Collaborated in building interactive web components and optimizing performance for academic project showcases.
